Ref:- Your letter No. M4.C. 2798-132/61-62 dated 20-11-1961.

--

It is reported by the District Forest Officer, Shimoga, that the land applied for is included in Halasavala Minor Forest. From the species enumerated in the list, it is seen, that the area has good forest growth and is suitable for future afforestation. The forest department has programmed of large scale afforestation.

The area under forest in the state is already low and as per the policy laid down by Government in their No.AFD 18 FGN dated 11-4-60 forest lands should not ordinarily be released for cultivation except under special circumstances. Large forest areas have been already released and are being released even now in Shimoga district for rehabilitating the expropriated ryots under Sharavathi and Bhadra Reservoir projects. The party has already been given land in G.O.No. AFD 273 DST 57 dated 18-10-1958 and further extension at the cost of valuable forest growth is not desirable.

Under the circumstances, the request of the applicant may be rejected.
